International Preliminary Examination Report mailed February 28, 2006. Each item of information is a communication in connection with a counterpart foreign application, i.e., PCT International Application No. PCT/US01/29242, filed September 18, 2001. Pursuant to 37 C.F.R. §1.97(e)(1) this Supplemental Information Disclosure Statement is due April 30, 2006. Accordingly, this Supplemental Information Disclosure Statement is being timely filed and should be considered.

In accordance with their duty of disclosure under 37 C.F.R. §1.56, applicants direct the Examiner's attention the following:

1. International Search Report mailed January 31, 2006 by a foreign patent office in connection with a foreign counterpart of the subject application (Exhibit A); and
2. International Preliminary Examination Report mailed February 28, 2006 by a foreign patent office in connection with a foreign counterpart of the subject application (Exhibit B).

The International Search Report and International Preliminary Examination Report cites page 319 of Harlow, E. & Lane, D. (1988) Antibodies, A Laboratory Manual. Cold Spring Harbor Laboratory. This reference was disclosed by Applicants as Exhibit 11 in a Preliminary Amendment and Information Disclosure Statement filed July 30, 2003. The remaining references cited in the International Search Report and International Preliminary Examination Report were previously cited by the Examiner in an Office Action mailed September 26, 2002.
